## COMMERCIAL PROJECTS

SCHLAGER COMMERCIAL PROJECTS DIVISION DELIVERS HIGH QUALITY CONSTRUCTION, RENOVATION AND FIT OUT SERVICES TO CLIENTS IN THE RETAIL, COMMERCIAL, GOVERNMENT AND INDUSTRIAL SECTORS THROUGHOUT THE STATE OF WA.

By offering complete design and construct services, Schlager Commercial is able to provide turnkey solutions with end-to-end project management, ensuring that schedules and budgets are kept under tight control while clients enjoy seamless project delivery.

An award-winning builder, Schlager Commercial has established mutually rewarding long-term relationships with a number of key customers, through competitive pricing, quality solutions and consistent attention to detail.

Working closely with clients to create the perfect workplace for their business, enhancing both productivity and profitability.

With a portfolio of successful projects from small customised offices to multi-floor constructions, Schlager Commercial is committed to creating world-class workplace environments that improve business performance and enhance profitability.

Director and Project Manager Nick Schlager leads an experienced and highly capable team of hands on project managers and supervisors. He works closely with clients to establish a clear understanding of their business fundamentals whilst finding ways to optimise the completed workplace within the constraints of time and budget.

The team recognise that it is often necessary to design and schedule work around existing operations, ensuring that temporary impacts on productivity are minimised.
